Request for Temporary Confinement due to Unforeseen, Immediate Circumstances

► Complete this form to request approval for each non-routine extended temporary confinement event or to extend an existing temporary confinement request.

► An operation's **L4.0 Living Conditions** must include all reasons for routine and planned temporary confinement (e.g.: sorting, shipping, breeding, 4-H, FFA, animals' stage of production, etc.)
NOP 205.239(b)-(d) allows organic producers to confine their animals for specific approved reasons.

Operation name: _____

Submitted by (name): _____

Animal group(s) to be confined: _____

Circumstance affecting your animals: _____

Start date and duration of confinement: _____

1) Submit the following required documentation with your request:
   - ☐ Letter from a state or federal veterinarian recommending/requiring confinement in your location
   - ☐ Updated map/description of your operation's location to identify proximity to risk vectors
   - ☐ For avian diseases: Positive pathogenic confirmations in migratory flyway
   - ☐ Updated **L4.0 Living Conditions** to list current circumstance as a potential reason for confinement (if not already included in OSP)
   - ☐ Written description of how you will evaluate the need for continued confinement during this requested time.

2) Additional information to support your confinement request:

_____
