

LATINO

FARMER CONFERENCE

November 19 - 20, 2024 | Monterey County, CA

This conference brings together the Latino farming community, the agriculture industry, and advocates for sustainability and agribusinesses for two days of workshops, networking, and learning with fellow farmers.

November 19
Field Day: Local Farms
Transportation provided

November 20
Conference Day:
CSU Monterey Bay

Visit two local farms that are demonstrating successful business and ecological management practices.
This event will be first come, first served.

Network with local businesses and organizations.
The day will include a series of presentations from farmers and experts, and will end with a farm to table mixer.
