Certificates must be dated within the last 15 months and must list the specific product you source. For USDA NOP certified suppliers, refer to [Organic Integrity Database \(Integrity\)](#) for overall certification status. Product listings may need to be requested separately from the supplier. Be prepared to demonstrate your certificate management system at inspection.
 2. For any uncertified supplier, list both the uncertified supplier and the certified supplier in the Supplier column. Attach a [Exempt Handler Affidavit \(EHA\)](#) for each uncertified supplier. *Products must be enclosed in sealed, tamper-evident retail packaging when acquired by the supplier and must remain in that packaging while under the supplier's control. CCOF will review the EHA and notify you if certification of the supplier is required.* ☐ EHA attached
