

Operation Name: _____ Date: _____

- ▶ List finished organic products in the table on the next page, including private label brand products co-packed for others. An [Excel version](#) of this document is available online or by contacting CCOF.
Product category, detail and brand name will appear on your CCOF Client Profile (certificate addendum); product and detail will appear in USDA's [Organic Integrity Database \(Integrity\)](#). CCOF reserves the right to modify product categories to reflect naming conventions.
 - ▶ Once you are certified, refer to your CCOF Client Profile for a complete list of all products currently included in your certification.
 - ▶ Ensure all suppliers are listed on [H2.0A Ingredient Suppliers](#). Submit [H2.0B Product Formulation](#) for any new multi-ingredient product.
- 1) Attach all labels for all organic products, including retail, nonretail, shipping container labels, temporary signage for unpackaged products, labels for export, and other labels that include any reference to organic. ☐ Labels attached
 - *Organic labeling guidelines including international labeling are available at www.ccof.org/labeling. Submit all revisions to CCOF prior to printing or using new labels.*
 - 2) Do you package any products for private label brands (brands you do not own)? ☐ No ☐ Yes, complete the [Co-Packer Application](#) for each brand.
 - 3) Private label brand owners who do not process: If co-packed product is imported, list importer as well as co-packer in "Name of" column below. For each multi-ingredient product, submit an ingredient statement from the manufacturer to compare to your label. *Inged. statement not required if co-packer is CCOF certified.* ☐ Ingredient statement attached

PRODUCT APPLICATION

Find all forms at www.ccof.org/documents. Send completed forms to inbox@ccof.org.

¹ "Made with organic" is only allowed in USA and Mexico. Products labeled "Made with organic" must contain at least 70% organic ingredients. The remaining ingredients must either be agricultural or approved nonorganic materials from the National List.

² Products labeled Organic must contain a minimum of 95% organic ingredients, remaining ingredients must be either organic or approved nonorganic materials from the National List.

³ "100% Organic" is only allowed in USA and Mexico. Must be produced with ingredients certified as "100% Organic." Must be produced without nonorganic processing/packaging aids.

⁴ Retail = Containers intended to be purchased and consumed by a final consumer (retail purchaser).

⁵ Nonretail = Any container used to ship or store organic products, other than containers used for retail sale of the product. Must identify product as organic and display product lot number, shipping identification, or other unique information that links the container to audit trail documentation.
